

Open Door Home invites you to sponsor The 2021 Clubs and Clays Tournament. This year's tournament will be held at Barnsley Resort on Friday November 5, 2021. We are grateful for the local business community which has rallied behind us in this unprecedented year. We ask for your continued support providing assistance to our youth through backing this annual event.

The tournament day will begin at the resort's remarkable Beretta Shooting Grounds. Sportsmen will rotate between 12 stations with an array of shots from open field to wooded areas. Participants may bring their own gun (12 or 20 gauge) or use one provided by Barnsley.

After a catered lunch, the golf portion of the tournament will begin with a shotgun start on the 378 acre Fazio-designed course. Golfers will enjoy the challenge and scenery of the resort's championship greens.

The day will close with a reception featuring an awards presentation and the annual ball drop.

All proceeds go directly to the Open Door Home, a non-profit 501(c)3 organization. Our residential facilities provide emergency and extended care to youth who have been neglected and/or abused. ODH strives to help each child reach his or her full potential to live healthier, happier and more productive lives.

Please consider supporting our youth and the future of our organization.
